

G2M2

Escribe en los recuadros la letra que hay en cada par de coordenadas
(usa mayúsculas)

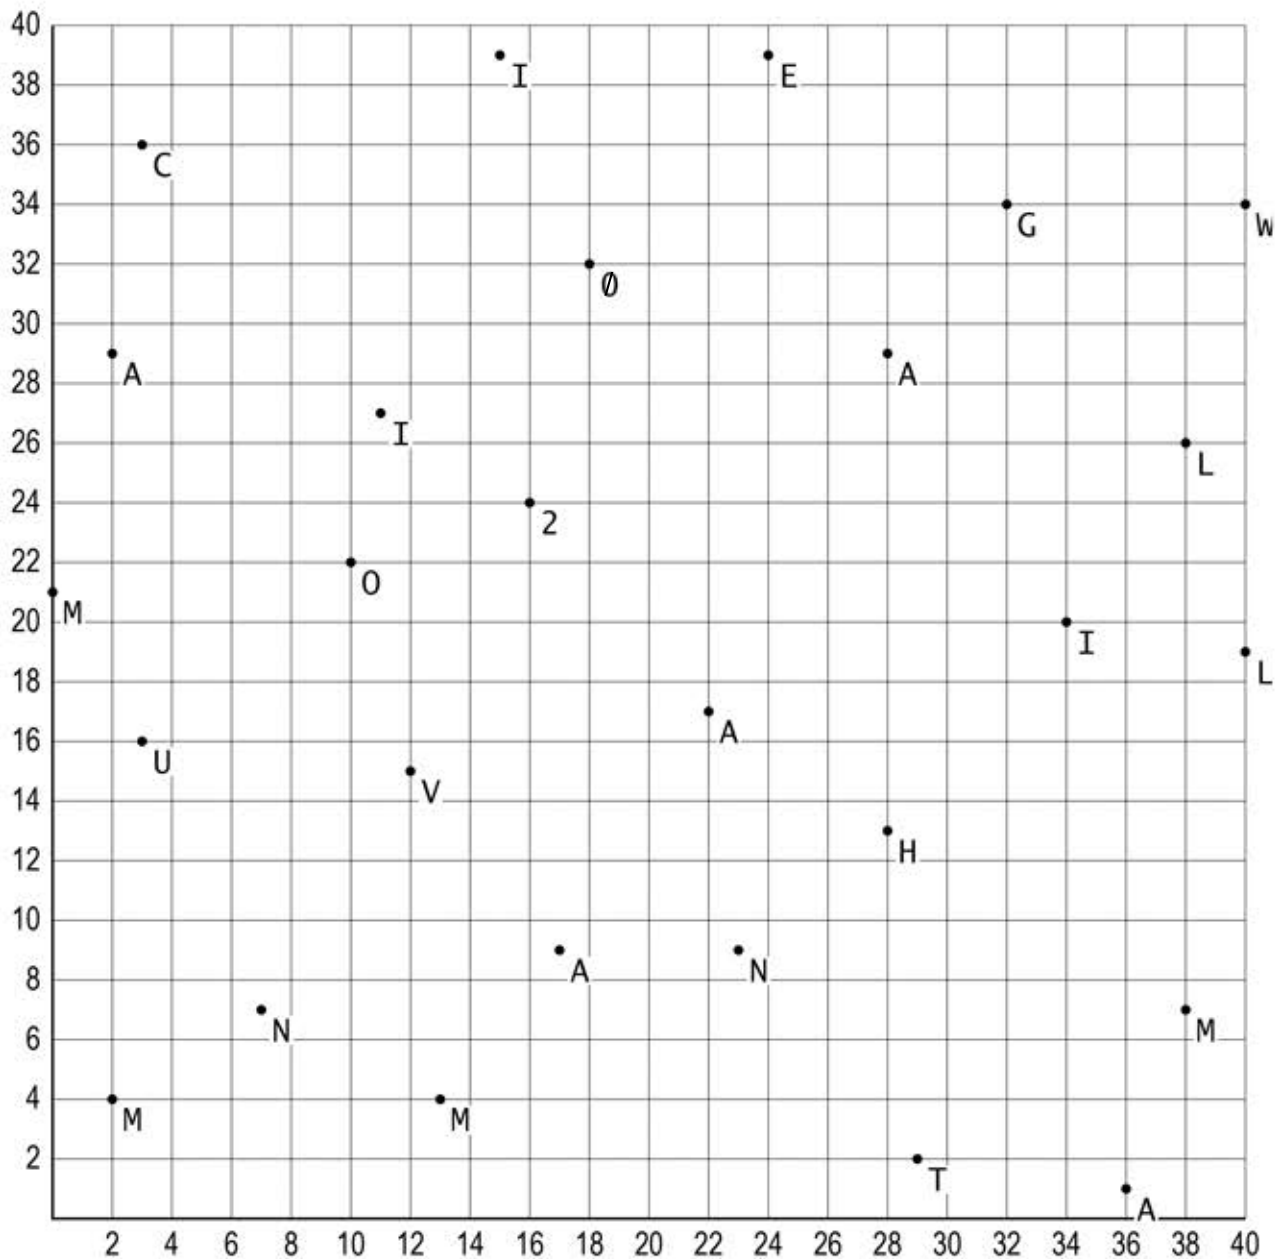

Diagram illustrating the merge sort algorithm. The top row shows two groups of boxes representing arrays. The bottom row shows two groups of boxes representing arrays. Arrows indicate the merging process from the top row to the bottom row. The boxes are labeled with coordinates (x, y) representing the range of elements being merged.

Top row boxes (from left to right):

- (24,39)
- (23,9)
- (12,15)
- (34,20)
- (28,29)
- (3,16)
- (7,7)
- (38,7)
- (2,29)
- (11,27)
- (40,19)
- (22,17)

Bottom row boxes (from left to right):

- (40,34)
- (36,1)
- (28,13)
- (29,2)
- (2,4)
- (18,32)
- (16,24)
- (32,34)
- (13,4)
- (17,9)
- (15,39)
- (38,26)
- (3,36)
- (10,22)
- (0,21)
